

HIGHLIGHT

THOMAS STREET

TENANCY HANDBOOK | 2020-21

WELCOME TO FRESH

Hello, thank you for booking your accommodation with us!

We appreciate that choosing where to live and call your home is a massive decision, especially if this is going to be your first time living away from family and friends. We want you to know that we will be here to support and help you every step of the way!

It goes without saying that we will do our very best to ensure that you have a fantastic stay. Our teams are already busy preparing your accommodation, and we are really looking forward to welcoming you.

In light of the ongoing COVID-19 pandemic, we want to reassure you that we have implemented a number of measures at Highlight Thomas Street to ensure the safety of all our Residents. Our aim has been to ensure that you can still enjoy living with us whilst being confident of the highest health and safety, and infection control standards being in place.

We've put together this Tenancy Handbook so you can find out more about the place you'll be calling home for the next academic year. If you will be living with us for the first time, we know you have a lot to take in, but please take some time to read through this handbook as it contains lots of information about your new home and the services we provide.

Of course, if you are returning to us for a 2nd or 3rd year, you already know your way around but it's important that you also know what's new.

If we've missed anything, please give us a call or send an email — we are happy to answer any questions you may have. We also recommend you follow us on Facebook, Twitter and Instagram as we will use them to fill you in on the latest information.

Please remember that you'll also need to complete the online induction before you arrive to choose your check-in slot, and provide us with a photo! If you haven't done it already, please log in to the [Student Portal](#) and it will guide you through the short process.

We look forward to meeting you very soon!

PREPARING TO MOVE IN

Before you arrive you need to pay your Tenancy Deposit and first rent instalment. Without this we will be unable to issue your keys so please make sure it's done!

Your rent due dates can be found in your License to Reside and on the **Student Portal** where you can also make the payment. You will also need to do the following by logging in to the Student Portal:

1. Complete your induction.
2. Upload a passport style photo to your profile.
3. Book your moving in slot so that we know when to expect you!
4. Make sure your Student Number has been entered on your booking.

THE FRESH STUDENT LIVING STUDENT PORTAL

The Student Portal is an online system giving you access to important information about your stay such as your License to Reside, booking details and financial statement. You can also complete your inventory, log maintenance requests, pay rent, refer a friend and even rebook your room for next year.

To access the Student Portal please visit:
online.freshstudentliving.co.uk/Student/

You will need the email address you registered with and your application reference number. Once you have logged in to the Student Portal you may change your password on the 'Change Password' page.

TIP

If you're living in a shared apartment, we recommend that you wait until you arrive to buy some items so you can spread the cost with your flatmates. This includes items such as pots, pans, plates, glasses, cutlery, toaster, and kettle.

BRING WITH YOU:

Your room is fully furnished but you will need to bring your own:

- Duvet, pillows, sheets etc.
- PC or Laptop

6. ON ARRIVAL

WHEN YOU ARRIVE

When you first arrive, please come to Reception where your key will be waiting along with all the information you need to check in to your room. Our team will of course be on hand to help, but to keep everyone safe we will be carefully maintaining social distancing.

Please make sure you bring with you:

- Proof of being a student (e.g. a confirmation letter from your college or language school)
- Photo ID (passport or driving licence)

As there will be a lot of people here during the check-in weekend, we ask that you and your family member bring face coverings to wear whilst on-site.

Once you arrive at your room, please familiarise yourself with the location of your nearest fire exit, which will be shown on the back of your apartment door.

To help you settle in, we have created a welcome and virtual video tour of the building. Please take a minute to sit and watch it as this will help you find your way around the building.

OUT OF HOURS ARRIVAL

If you know you will be arriving outside of office hours, please let us know so we can make arrangements to ensure that you get your key.

TENANCY DEPOSIT SCHEME

Your Booking Fee automatically converts to become your Damages Deposit once your tenancy commences and is refundable at the end of your tenancy less any deductions for damages or charges.

COMPLETING YOUR ROOM INVENTORY

Before you start to unpack, it's a good idea to complete your Room Inventory which is available on the Student Portal.

It must be completed within 48 hours of checking in and is the official record of the condition of your room when you arrived. It's really important to complete it as accurately as possible as it will be used as a comparison when you leave.

Please check the condition of every item in your room and communal areas to record anything that is missing or damaged. We have, of course, checked everything but we are only human and do sometimes miss things, so this is your opportunity to let us know!

If you do not submit an inventory, we will assume that everything is present and in perfect condition, meaning you will be charged for any missing or damaged items at the end of the tenancy.

If anything in your room is not working, please register this on the Maintenance Portal or you can report it by calling our Accommodation Team.

Kit yourself out with UniKitOut!

Don't forget you can order a range of useful things including kitchen and bedding packs online before you arrive and get a **10% discount** with the code **FRESH10**.

YOUR ROOM

It's time to settle in! We want you to feel at home but please don't use sticky tape, 'blu-tack' or similar adhesive, stick pins, nails or screws into the walls as this may lead to charges if any damage is caused. There is plenty of room on your noticeboard for posters and photos.

YOUR NEIGHBOURS

If you're in a shared apartment, it's usually a good idea to take some time to introduce yourself to your new flatmates but don't forget the 'new normal' way of life and the need to social distance – always be COVID aware! Everyone is new, so don't be shy and make sure you look out for our social events on Facebook and Instagram – that way you can keep up to date with what's going on.

GETTING ON WITH YOUR FLATMATES

We want everyone to enjoy living with us, so please bear these simple tips in mind as you all get to know each other to ensure a good apartment sharing experience for everyone!

YOUR GUESTS

We understand that from time to time you may want to have guests. If you are living in a shared apartment, it's really important you discuss this with your flatmates. You will need to check that you all feel comfortable and make sure you are keeping yourselves safe from COVID-19. Please do not invite someone to stay for more than three consecutive nights.

We ask that when you do have guests, you ensure that they adhere to the infection control measures that we have implemented in the building – remember, they have been put in place to protect everyone.

The behaviour of your guest is ultimately your responsibility. You'll be held accountable if there are any complaints from your flatmates, if any damage is caused or if they do not follow our control measures, so make sure they behave as well as you do!

We will keep you up to date on the governments COVID-19 guidance for visitors to the accommodation. At times, there may be a need to restrict visitors but we will only do this if it is in the interest of the health and safety of everyone who lives in the building.

SHARED KITCHENS

The kitchen is a very important communal area and everyone should feel comfortable using it. Make sure you wash and wipe up after yourself to keep the cooking area and sink clean, and clear for your flatmates. You should

always leave it as you would like to find it. We recommend you agree a cleaning and bin emptying rota – it will save any arguments later!

BE CONSIDERATE ABOUT NOISE

Whilst you may love your latest Spotify playlist, your flatmates may not appreciate your taste in music and in particular, a thumping bass can cause disturbance to those rooms around, above and below you. Please be considerate of noise levels and make sure you are not creating a problem.

Try to be quiet coming in and out of your apartment, especially at night during the quiet hours of 11pm – 9am when others might be sleeping. You may have had the best night ever but your flatmates may have an early start, so please let them get their sleep!

HAVE A CHAT

If there is something causing a problem between you and your flatmates, the best solution is to have a chat. Don't send text messages, put notices up or stick post-its everywhere. The easiest solution is to talk over a coffee and you'll often find the problem can be resolved.

Treat your flatmates how you would want to be treated yourself and we are sure you will all get on fine!

SOCIAL EVENTS

We run a variety of social events every month from quizzes, and baking challenges to exercise classes and bingo.

During the 'Welcome Week' at the start of term, we will be hosting events to help you settle in and make new friends.

Our social events will always be run in line with government guidance so depending on what's allowed, this is likely to be a mix of virtual and in-person activities.

Check out our events calendar on the noticeboard, Facebook and Instagram pages so that you don't miss anything!

IMPORTANT:

If you have any allergies, we ask you to check the suitability of any food provided at our events with our team.

8. SAFETY MATTERS

WHAT TO DO IN AN EMERGENCY

Hopefully you'll never need it, but below is a quick guide on what to do in an emergency. Some of the information may be particularly useful to our International Students, but everyone should take a look and if you have any questions, please speak to the Accommodation Team.

AMBULANCE

If someone has had a serious accident, call 999 or 112 and ask for an ambulance. Ensure that someone is designated to meet the ambulance at the entrance of the building and to escort them to the injured person.

Situations when an ambulance should be called if someone is:

- unconscious or has slipped in and out of consciousness
- bleeding heavily or has a deep wound or you suspect broken bones
- has difficulty breathing
- has severe burns
- has a severe allergic reaction

COVID-19

If you have symptoms of coronavirus (COVID-19), however mild, OR you receive a positive coronavirus (COVID-19) test result, you should immediately self-isolate within your accommodation for at least 7 days from the date your symptoms started. Do not go to a GP surgery, pharmacy or hospital.

You should arrange to have a test to find out if you have COVID-19.

A test can be arranged by visiting hse.ie/conditions/coronavirus/testing/how-to-get-tested.html

Please inform your Accommodation Team that you have contracted the virus and are self-isolating – this can be done using the QR code on the back of your apartment door.

If you live with others, please make them aware as everyone else within the apartment should self-isolate for 14 days. During this time please ensure that you keep socially distanced from each other because if someone else contracts the virus during this time the 14 days isolation starts again.

To reduce the risk of the virus spreading within your apartment, please disinfect and clean frequently touched surfaces.

Our teams are here to support you, so if there is anything that you need during your illness, please let them know.

REMEMBER: Please be “COVID COURTEOUS” at all times.

FIRE SERVICE

If you discover a fire, call 999 or 112 and ask for the Fire Service. If a fire is detected on your floor, the fire alarm will activate. On hearing the alarm you must leave the building and go straight to the assembly point. Do not run or stop to collect your belongings.

If you are self-isolating and hear the fire alarm, please evacuate the building by the nearest fire exit, please try to maintain social distance wherever possible.

ASSEMBLY POINT

The assembly point in the event of a fire is outside St Catherine's Church, Thomas Street.

FIRE ALARM TESTS

We test the fire alarms every Wednesday between 11:30am and 12:30pm. You may hear the alarm numerous times, and we will need access to your apartment during this time but you do not need to react. The test can be recognised as a long burst of the fire alarm sirens. This is the only time evacuation is not mandatory.

To ensure all Residents know how to use fire escape routes and find the fire assembly point, we hold a fire drill each term. This will not be announced in advance and the full cooperation of Residents is expected as if it were a real alarm. During an evacuation, no Resident may re-enter the building until the all clear has been given by the Accommodation Manager.

FIRE PREVENTION

Our building has been designed for your safety in the event of a fire. Every Resident has a responsibility to ensure that they familiarise themselves with their buildings safety features, exits and evacuation procedures as soon as possible after moving in. Fire blankets are available in each shared kitchen.

ROOM FIRE DOORS

Each room is fitted with a fire door which acts as fire safety protection for at least 30 minutes. Interference with the automatic door closer or attaching anything to your room door, e.g. an over door hanger is prohibited as it will compromise the fire resistance. All room doors are to be kept shut at all times to maintain fire safety and personal security in the building. Should a fault occur with this door or any fire door in your accommodation, it should be brought to the attention of Reception immediately.

'False' alarms waste the valuable time of the Fire Service and can also endanger lives. Any Resident(s) found activating the fire alarm maliciously or as a result of not following our rules will be required to meet with the Accommodation Manager and may face financial recharges that are levied by the Fire Service

TO AVOID ACTIVATING THE FIRE ALARM:

1. Please do not dry anything on the heaters.
2. Always make sure your shower room door is closed when showering.
3. Always use the extractor fan when cooking with the hob or oven.
4. Never wedge any door open, especially a kitchen door.
5. Never leave cooking unattended.
6. Do not deep fry food - deep fat fryers are not permitted.
7. Do not use deodorant or other sprays adjacent to fire alarm detectors.
8. Do not direct hairdryers or fans directly at the fire alarm detectors.

TAMPERING WITH FIRE EQUIPMENT

Fire equipment such as smoke alarms and door closers are in place throughout the building for everyone's safety. Tampering with this equipment puts everyone's lives at risk. Should a Resident (or guest) tamper with the fire equipment, an engineer will immediately be called to check the equipment is working correctly and carry out any repairs resulting from the damage. All such repairs and call-out costs will be charged to the Resident(s) concerned. If any incident appears to be a criminal offence, we will also refer the matter to the Police.

9. LIVING WITH FRESH

Incidents of alleged harassment or discrimination should be reported to the Accommodation Manager so an Incident Report can be completed. We may also report this to your college and/or the appropriate authorities.

LOCKED OUT?

If you are locked out during the night, please come to the Reception area where Security will let you in. Please be aware that we will need to check your ID and there may be a cost associated with this service.

ROOM AND APARTMENT INSPECTIONS

We will carry out full room and apartment inspections at least three times during your tenancy period where we will check for cleanliness, damage and missing items. This will cover your bedroom, en-suite and any communal area within your apartment, e.g. kitchen and hallway. If the condition of your room/communal areas is deemed unacceptable, we will give you a week to tidy up.

If the area is still not to the required standard when we re-inspect, we will arrange for our cleaners and/or Maintenance Operative to fix the problems and charge you for the work. At each inspection you will be informed if there will be a charge for repairs. You will be invoiced for recharges for the first two inspections and on the final inspection a deduction will be made from your Tenancy Deposit. Our Fee Schedule containing cleaning, damages and missing items recharges can be found in this handbook.

We strongly suggest that you do not use hair dye in the bathroom as this can cause staining. We also ask that to ensure our water systems are maintained to a high standard, your shower head and taps are kept clean. Please report any significant scaling on the Maintenance Portal.

Occasionally, Fresh Student Living staff or contractors may take photographs inside bedrooms/en-suites/communal areas to evidence maintenance or cleanliness issues. Images will be taken, stored and disposed of in line with our data processing approach.

PREVENTING CONDENSATION

Please do not wash any clothes in your room. If you are drying washing, please ensure your bedroom window is open to prevent condensation. If there is condensation you must wipe it down and clean any surfaces to prevent mould.

WHAT TO DO IF A FUSE GOES IN YOUR ROOM OR APARTMENT

If your electricity goes off, in your bedroom or kitchen, please contact Reception. Please log this on the Maintenance Portal so that we can arrange to have the bulb changed. If the electricity does not turn back on, it could be due to a faulty electrical item such as a hairdryer or toaster, so try unplugging any electrical items you were using when the electricity went off. If you cannot identify a faulty appliance, or the trip switch will not reset, please report this fault to Reception as soon as possible or contact the 24-hour emergency number if it's outside of office hours.

ROOM SWAPS

From time to time there may be reasons a Resident wants to consider swapping rooms with another Resident in the building. We recommend that you speak to the Accommodation Team about your reasons for wanting to swap

before taking any further steps. They may be able to help with whatever it is that's causing you to want to swap. Swapping rooms is dependent on us being able to find somebody for you to exchange rooms with, and is subject to the approval of the Accommodation Manager. Residents must ensure that the room is left in a suitable condition for the swap to take place.

DAMAGES

Accidents do happen but please let us know ASAP so that we can get things fixed. Damage to our property may result in a charge and certain cases may be deemed as a breach of our License to Reside. Damage to communal areas will result in equal charges if no one accepts responsibility.

STAYING WITH US OVER THE SUMMER

Depending on the length of your tenancy you may want to make an additional booking to stay with us over the summer. Please contact the Accommodation Team to discuss availability in the building and the weekly rent. For summer bookings, we will require payment in full prior to the booking commencing and you may need to move to a different room.

You will also see the QR code for the Post Log displayed at Reception as a quick and easy way for you to check for parcels whenever you are passing by. When a parcel is logged for you, just come to Reception during our normal opening hours remembering to bring your photo ID. We cannot give your parcels to anyone else so please don't send your friends to collect them!

Please remember to social distance each time you come to Reception to collect your parcel! If you are self-isolating or are confirmed to have Covid-19 we will arrange for your parcels to be delivered to you.

Parcels will be kept for 30 days. If you do not collect the item during this time, or we do not hear from you to advise that collection will be delayed, the parcel will be returned to the sender. If you are waiting on the delivery of an important parcel/letter we recommend that you arrange with the courier to be present to accept the item. Whilst we are happy to accept parcels on your behalf, we cannot be held responsible for any losses. Don't worry though, we will remind you nearer the time!

FOOD DELIVERIES

We are sorry that we are unable to accept food deliveries at Reception, including supermarket deliveries and takeaway meals as we do not have storage facilities to keep these items at the appropriate temperature.

Residents wishing to order food items should ensure they are in the building at the time of delivery and that the delivery person has their contact details.

11. APPLIANCE INSTRUCTIONS

If you are unsure of how to use any of the appliances please contact Reception.

INTERCOM

Your visitors will be able to use the intercom outside your block to inform you they are here. You will then need to go down to the front door and let them in, please escort them from the building when they leave. Each bedroom has its own heater. You can control the heater using the thermostat on the side of it. Please contact Reception if you need any help.

HOT WATER

LIGHTS

We ask you to be environmentally responsible and turn off your bedroom lights whenever you are not in the room. The switch is found near your bedroom door. If the light goes off too quickly/stays on too long let us know and we can adjust it.

Each shared apartment has a microwave. If you are unsure how to work the microwave in your apartment, please see Reception for a guide. Also, please remember, when using the microwave function not to use it with any metal.

OVEN

Each shared apartment has its own oven and a separate hob.

HOB

First make sure that the switch on the wall above the worktop is turned on. You can then use one of the four dials to control the relevant ring on the hob. On some of the hobs you have to hold in the ignition button at the same time. When you are finished cooking, please remember to turn off your hob.

12. FRESH HOUSE RULES

We think we're pretty easy going, but there are a few rules that we ask you to stick to, for your own safety and the comfort of others.

WINDOW RESTRICTORS

These are installed on our windows to prevent them opening fully. This is a safety feature for your own protection. You must not tamper with or remove the restrictors. If we have to reinstate a window restrictor there may be a recharge to you.

REFUSE AND RECYCLE

Residents must bag and tie rubbish from their room. Separate bins are provided for general refuse and recycling. Residents will need to provide their own bin bags. Leaving rubbish in hallways is not only unsightly but is also a fire risk. Residents must not leave rubbish anywhere other than the designated refuse area. All cardboard boxes need to be broken down before placing them in the recycling bin. The large recycling bins are suitable for cardboard, glass, cans, paper and cardboard. Please do not put plastic bags in these bins.

SMOKING

It is against the law to smoke in any place in the UK and Ireland that is used by the public or as a workplace. The building is therefore a smoke free zone. This includes your bedroom, bathroom and kitchen, as well as any communal area and outside/underneath windows, or on the roads, paths or pavements immediately outside the building. The ban applies to all substances which can be smoked including but not limited to cigarettes, vapes, rollups, pipes, hookahs/shisha pipes and cigars.

NOISE AND ANTI-SOCIAL BEHAVIOUR

We want you to enjoy living with us but ask that you respect other Residents and keep noise to a minimum especially between our 'Quiet Hours' of 11pm - 9am and during exam periods. During these times, no noise should be audible from outside the room in which it is occurring, including kitchen/lounge areas. This will enable us to make our building a pleasant and enjoyable place for everyone. Outside of these times, we ask that general noise levels should be kept at a reasonable level. You have the right to ask other Residents to keep the noise level down and all Residents will be expected to act upon such requests without retort. Our 24-hour emergency number can also be contacted if you experience noise disturbance.

If you are having minor problems with the behaviour of other Residents, we encourage you to first try to resolve the issue on your own. Issues often arise from misunderstandings so the best starting point is approaching the other Resident to discuss the matter in a relaxed manner.

This approach often provides an immediate solution and helps to build new friendships. If you don't find this helps, you can also call our Accommodation Team for advice. Depending on the situation, we may recommend a meeting takes place between those affected by the behaviour, e.g. in the case of some flatmates not taking their turn to clean the kitchen, a full apartment meeting may be appropriate which a member of our team will facilitate. If the anti-social behaviour is of a more serious nature, the Fresh Student Living Anti-Social Behaviour Policy will be followed which will initially result in a face to face meeting between the Accommodation Manager and person displaying the behaviour, with future occurrences carrying the outcome of the college and/or Guarantor being informed.

ALCOHOL

Alcohol consumption is allowed within designated areas provided all containers are properly recycled and/or placed in the refuse and the area is left clean and free of spills. Bulk containers such as kegs (or similar) are prohibited. Residents found violating Irish laws concerning alcohol (sharing with under 18's or public intoxication) will be asked to attend a meeting with the Accommodation Manager and referred to the relevant authorities.

COOKING

Please do not cook in your bedroom. Rice cookers, toasters, kettles or other cooking equipment cannot be used in your room as they create a fire risk. False alarms caused as a result of cooking in your room may incur a charge levied by the Fire and Rescue Service.

PETS

Fresh Student Living operates a strict no pet policy. With the exception of Assistance Dogs, you are not permitted to keep pets or allow animals of any kind into the building.

13. YOUR WELFARE

REGISTERING WITH A LOCAL DOCTOR

We recommend that you register with a local GP (doctor) whilst living away from home. If you become ill, you will need to be registered with a doctor before you can get an appointment, so this will help prevent any delay in treatment. You can register by going to the doctor's surgery and filling out a form. Our Accommodation Team will provide you with a list of local doctor's surgeries or visit icgp.ie/go/find_a_gp.

LATE NIGHT TRANSPORT

Always plan ahead and know how you are going to get back home. It's a good idea to carry a list of reputable taxi numbers in case you miss the last bus. Try to avoid walking home on your own after a night out.

CRIME STOPPERS

To report a crime anonymously (and in situations which are not an emergency), call Crime Stoppers freephone on 1800 250 025.

REFERRAL OF MATTERS TO AN GARDA SÍOCHÁNA (THE POLICE)

We will offer support and advice to any Resident regarding matters of criminal conduct which they feel should be reported to the Police. Where an offence has been committed against a Resident or against Fresh Student Living itself, we will report the matter to the Police. Where the victim(s) of an alleged crime does not wish to report the matter to the police, but the matter has been reported to our team, the Accommodation Manager will make a decision of whether or not to inform the Police on behalf of the Resident. Only in exceptional circumstances will we report a matter to the police against the wishes of the victim(s). It is a legal requirement for incidents relating to the prevention of terrorism and the protection of children to be reported to the Police.

YOUR FRONT DOOR KEY

Your safety and security is of utmost importance to us. You will be given a key card or fob to access the building, your shared apartment and your own bedroom or studio. You will also have access to the social spaces with the same key card or fob. Please do not let anyone in that you don't know or don't recognise. Don't be tempted to let anyone tailgate you into the building — if the person is a Resident, they will have their own fob to let themselves in, and if they have forgotten it, they can call the Accommodation Team. We advise this for everybody's safety and security. If you damage or lose your key/access fob, you will be responsible for the replacement cost for corresponding locks, new keys, and/or replacement of the fob. If your fob or key is lost or stolen, you must notify Reception immediately to prevent unauthorised access to the building and your room.

CCTV

The building is covered by CCTV for your safety and peace of mind. The footage can only be viewed by trained and authorised staff.

KEEPING YOURSELF SAFE

Always lock your door (especially late at night) and when you leave your room. Be vigilant with items such as laptops, mobile phones, game devices and other high-value goods. Never lend others your fob, as doing so puts you at risk of incurring charges if they lose it, or cause any damage, and we will not be held responsible if they take any items from your room.

GROUND FLOOR ROOMS

If you're in a ground floor room or room which is easily accessible from the ground, we recommend the following tips to maximise security:

- Keep your curtains/blinds drawn when you are out
- Ensure windows are locked closed when you are out
- The window restrictors will protect you when you're in the room
- Keep valuables out of sight and out of reach from the window

PERSONAL EMERGENCY EVACUATION PLAN (PEEPs)

Any Resident who feels they may need assistance to safely and quickly evacuate the building in the event of an emergency, should alert Reception at the beginning of their Tenancy. Arrangements can be put in place to aid your safe exit from the building depending on your specific needs. The PEEP will then be agreed with you within two weeks of arrival. For more information please contact the Accommodation Team.

14. YOUR HEALTH

NEED TO TALK?

The wellbeing of our Residents is our priority. We know that where you choose to live plays a massive role in your overall college experience, from offering opportunities to make friends to providing the right environment to cook, study and sleep. Being away from home can make for a challenging time. If you are struggling to settle in to your new life, don't do it on your own. You can contact a member of the Accommodation Team who will be happy to arrange an online call to listen and put you in touch with someone who can help. Please make contact through WhatsApp, email or by phone.

15. THE FINANCIAL BIT

HOW TO PAY

Paying your rent is simple and can be done online 24/7. Just log in to the Student Portal, and select the 'Financials' tab where you can review your financial statement and make rent payments. You can pay with a Debit or Credit Card. Your rent instalments will be due on the dates listed on your License to Reside. Please make sure you meet these payment dates. If you are able to pay your full years rent prior to the tenancy start date (for contracts starting in September only) you will receive a 2% discount. Please contact the Accommodation Team for more information. Payments can also be made by bank transfer, or for International Students, via TransferMate.

FUTURE PAY

FuturePay is an internet based equivalent of a traditional standing order or direct debit, but instead of the payment coming out of your bank, it is taken from your card. Once you have set up your FuturePay agreement with our online Card Merchant 'Worldpay', your instalments will be taken automatically from your card on the dates listed in your License to Reside. The option to sign up to FuturePay is offered each time you make a payment to Worldpay. We recommend that you sign up to this service whilst making your first payment to avoid missing future dates.

BANK TRANSFER

If you plan to pay by bank transfer, please ensure the amount you pay covers all bank charges (you will be liable for any charges made by your and our bank) to ensure Fresh Student Living receive the full amount payable.

Please contact the Accommodation Team for our bank account details. You will need to quote your full name, and application reference number in the reference of all bank transfers so we know who the payment has been made by. Bank Transfers may take between 7-10 working days to clear into our bank account. Therefore, you must send any transfers in enough time for them to clear into our account by the due date stipulated in your License to Reside.

TRANSFERMATE

International Students can choose to pay via TransferMate which allows you to make international payments to Fresh Student Living free of charge whilst receiving competitive foreign exchange rates. Where TransferMate has a local bank account, they will eliminate the international banking charges usually associated with international payments.

[Find out more](#)

Residents are advised to check which payment option is the best for them.

SETTING UP AN IRISH BANK ACCOUNT

If you would like to set up an Irish Bank Account when you arrive, the Accommodation Team will be able to provide you with the details of the local banking facilities, however, we suggest you check them out first to make sure that you choose the bank that suits you best. You will need to make an appointment at the branch of your chosen bank and take some identification (ID) with you:

- Your passport
- Letter from college to prove you are a student
- A copy of your License to Reside. Your Accommodation Team can provide a copy or you can print one via your Student Portal.

At the appointment the bank will advise you on the best account, which should not have any charges. The bank will then send you your bank card and your pin number separately (keep them safe).

16. FEE SCHEDULE

Here at Fresh, we know that accidents happen and items get damaged, and when they do, we need to repair or replace them. The list below is a guide to the costs of the most common items that are damaged to give you an expectation of what would be charged. However, all of our buildings are unique, so it may be that the item costs more or less than the price stipulated here. If that's the case, you would be charged the quoted replacement cost. If an item is damaged that does not feature on this list, it will be charged based on the quotation obtained. Please note that some of these costs have been converted from GBP to Euros, using an exchange rate of £1 = €1.11. Correct as of 31st July 2020.

Please do not attempt to repair the item yourself or arrange for a third party to repair it, as additional costs could be incurred as a result.

17. YOUR TENANCY

Your occupancy agreement is a Licence to Reside, which means you have a right to stay in your room/studio until the end of the agreed tenancy period.

We cannot evict you without a court order. When you signed your Licence to Reside, you made a legally binding agreement with Fresh Student Living to keep to the terms and have accepted the responsibilities of the agreement.

We expect you to:

- Pay your rent at the agreed time
- Look after your accommodation and keep all areas clean
- Behave appropriately within the building and surrounding areas
- Be respectful to other Residents

We will:

- Carry out repairs within the property and ensure it is a safe and secure place to live
- Keep the communal areas clean
- Carry out regular health and safety checks of the building
- Remain COVID-19 Courteous at all times

TERMINATION OF YOUR TENANCY

As a tenant with a Licence to Reside you do not have the right to end your tenancy early even if you later are no longer a student. Fresh Student Living can seek repossession of your tenancy if you fail to pay your rent or breach the terms of your License to Reside however you will still maintain responsibility for your rent payments.

18. MAINTENANCE AND REPAIRS

REPORTING REPAIRS

You can report any repairs on the Maintenance Log via the Student Portal. This can be done from the comfort of your own room 24/7 or, if you prefer, you can call us at Reception to report the repair to our Accommodation Team.

We aim to assess requests within the following timescales:

- Emergency repairs within 24 hours of being reported.
An emergency repair is any repair required to avoid danger to the health and safety of Residents. E.g. No power supply, overflow of sewage.
- Urgent repairs within 5 working days of being reported.
An urgent repair is any repair which materially affects the comfort or convenience of the Resident e.g. broken handrails, faulty electrical fittings such as the microwave.
- General repairs within 28 days of being reported.
A general repair is any repair not falling in to the two above categories. E.g. Single electric light or power point failure within room, sticking doors or windows. We normally provide you with a minimum of 24 hours' notice if we require access to your accommodation to carry out a repair.

Please note that in the case of emergency we may require immediate access to your accommodation.

WATER LEAKS OR FLOODS

Water leaks can be extremely damaging. If water is leaking into electrical fittings, this can be very dangerous.

If you spot a leak:

- Call the Accommodation Team immediately.
- Try and catch the water in a container to avoid further damage.
- Do not touch electrical sockets or devices.
- If the water to your apartment or building has been turned off, please check that you have closed all taps and ensure that the plug is not left in, in the sink in the kitchen or your en-suite.

ELECTRICAL FAILURE

If you have an electrical failure, check to see who else has the same problem – is it other apartments, the entire building or the whole street? If the entire street is in blackout, this means that this situation is out of our control. Power cuts of this nature usually last a maximum of 2 hours.

For all other power failures, please let the Accommodation Team or Security know so that they can investigate.

19. YOUR FEEDBACK

We always want to hear feedback from our customers as we believe it's the only way we can continue to improve our service.

Our commitment to you:

- We endeavour to provide a good service at all times, however we accept that on occasions we do not always get things right.
- We have a positive approach to complaints and regard them as an opportunity to receive feedback on our services.
- We will strive to resolve complaints at the earliest opportunity.
- We will respond to all queries and complaints in a professional and courteous manner.
- We will endeavour to reach a satisfactory conclusion for both parties.
- We will continually review the service we provide following feedback we receive, and we will make changes and improvements where necessary.
- We will carry out an annual customer satisfaction survey via a third party provider to establish satisfaction levels among our customers.

COMPLAINTS PROCEDURE

We want you to love your time living with us, but there may be times when we don't always get it 'right'. We take all complaints seriously, and will try our best to fix any issues first time. If you need help and advice about how to complain or about our complaints procedure, please refer to the FAQ's on our website, under the 'Living with Fresh' section and 'what do I do if I am not totally satisfied?'

National Student Housing Survey

Each year, we participate in this national survey.
Look out for news on when it's time to complete it.

20. MOVING OUT

TENANCY LENGTH

Your tenancy length is outlined on your License to Reside. If you want to move out before the end of your License to Reside, you will need to find a replacement student to take over your room. As the tenant of the room you are responsible for the payment of rent until another tenant is found, therefore it is advised that you find a student to take over your room as soon as possible. A €70 administration fee will apply.

We hope that you don't need or want to leave us before the end of your tenancy, but if your circumstances change please speak to the Accommodation Team.

CHECK OUT

We know it's a long way off, but it's important to let you know what will happen at the end of the tenancy. You will need to book a 'Check Out' Inspection with the Accommodation Team. They will inspect the room against the initial inventory that you completed. It's really important that you are present for this as if you don't attend, it will be very difficult for you to challenge any charges for damage or disposal of refuse/abandoned items.

There are a few requirements for your last day:

- Your room needs to be clear of all belongings by 10am.
- You must return all keys, cards and fobs to Reception.
- You must make sure your room is clear of all of your possessions.
- Your room must be clean before you leave.
(you will be charged for cleaning if it isn't)

Property left in the room after you have vacated, or upon the expiry of the License to Reside, is considered abandoned and will be disposed of immediately. Due to limited space, we cannot store personal items left behind. Requests for extended checkout times may be made in advance and will be subject to the availability of the room. Approval for an extended check out will be made at the sole discretion of the Accommodation Manager.

TENANCY DEPOSIT SCHEME

We will automatically register your Tenancy Deposit in to the relevant Tenancy Deposit Scheme.

At the end of your tenancy, you will receive an email from the Accommodation Team notifying you to log in to your Student Portal and complete your end of year process. Please do this as quickly as possible to prevent any delay in the deposit being returned to you. We will refund into an Irish bank account free of charge, but if we have to refund via IBAN to an international account we will deduct the bank charges from the refund. Don't forget to tell us which bank account you want us to make the refund to!

Once your official tenancy end date has passed, your deposit will be returned (minus any charges for damages if applicable) within 10 days of accepting your end of year via the Student Portal. If you move out before your official tenancy end date, your deposit will not be returned any earlier.
